24/061	Chairman’s announcements The Chair made the following announcement: Message received via CCPC website regarding application at 27 Pine Grove: I would just like to say how very grateful I am for your support of my objection to some of the plans for the extension to the above property. I was concerned about a lack of privacy as a window they wanted to install would have overlooked my garden. You kindly put a comment on the application saying they should ensure I had no loss of privacy. Today I have received the revised plans and they now are going to put obscure glass in that window. They have also asked to install a velux window, I guess to let extra light in, but I am not so worried about a privacy issue with this. I have lived in my home here since 1998 and have never needed CCPC but I’m very pleased you are there to help residents in this way. Thank you so much again for your help and support.		
24/062	Public Session - this is an opportunity for members of the public to bring matters to the attention of the Planning Committee. No members of public present
