	The Chair made the following announcement: Planning application 20/02827/AMCOM Land At Watery Lane Church Crookham Fleet Hampshire Variation of Condition 37 attached to Planning Permission 14/00504/MAJOR dated 26/06/2015 to allow the roundabout to be completed and fully operational prior to the 50th occupation of the development was refused at committee by Hart DC. The reason: - In the absence of any detailed information to the contrary, the proposed delivery of the mitigation (roundabout) at the A287/Redfields Lane intersection before the occupation of the 50th dwelling, could be likely to result in a severe impact on the existing operation of the intersection and consequently on the local highway network and safety of highway users, all contrary to policy INF3 of the adopted Hart Local Plan and Sites 2016-2032, saved policy GEN1(viii) of the Hart District Local Plan - Replacement (1996-2006), paragraph 109 of the National Planning Policy Framework (2019) and policy TM02 of the emerging Crookham Village Parish Neighbourhood Plan 2016-2032. It was noted in the HCC representatives comments where reference was made to a 76 week construction period and given that commencement of works is someway off it will be the best part of 2 years before work will be complete.
21/Z031	Public session This is an opportunity for members of the public to bring matters relating to items on the agenda to the attention of the committee. HCC Cllr John Bennison provided updates: Council Tax is likely to be approved at the HCC meeting due to be held on Thursday 25th Feb proposing a 4.99% increase of which 0.99% is for Adult social care the rest general and/or police. 6th May elections will be held for some local parishes, district wards at county level and the Police & Crime commissioner. The 10 yearly census takes place on March 21st. Local test & Trace service is being implemented at a more local level and asymptomatic testing for COVID-19 will also be in place at the HDC offices. Vertu junction works has been delayed due to additional drainage works required to the site entrance. Roundabout at A287 works will be required to commence. It is understood that an appeal has been submitted against the 20/00184 original application requesting a delay to implementation so any commencement will be subject to the outcome of this appeal. Currently Redfields Lane is closed to enable SSE works to the Watery Lane site. What with the Pipeline project there is likely to be much disruption and road closures in the vicinity for a prolonged period. Questions raised including a query over Cllr Bennisons engagement with the planning officer. Cllr Bennison responded that his calls to many on the team system were logged for the record. Clarification was also sought over the conflict between a program of works mention over 50 weeks and 76 weeks. The response assumed the difference was the number of weeks of the program that would not impact the live road.
21/Z032	Grant Applications To receive and consider approval of grant applications

CHURCH CROOKHAM PARISH COUNCIL

Full Council Meeting

Initials:

Date:

	2 grant requests were submitted in the month. Expended to date = £1,850 of £20,000 budget made up of £2,850 grants paid offset by release of accrual for Scouts fencing project (delayed). Grant requested by Friends of Crookham Infants School £6,000 for new play equipment to encourage greater activity and improve motor skills of children. Question was raised whether there was a need for additional funding to cover cost of safety surfacing or maintenance. It was confirmed that funding for neither was required. It was resolved to approve a grant of £6,000 to FOCIS (Under General Power S137) Proposed RM, Seconded HB, all in favour. Grant requested by Men's Shed to cover running costs £600 following a year where memberships have been down due to closure of shed through COVID-19 restrictions. The shed are looking to report a £900 loss for the year based on not reopening for a further couple of months. It was resolved to approve a grant of £900 to Men's Shed Proposed JF, Seconded GSa, all in favour.
21/Z033	Azalea Play Park Project To agree the working party to review and shortlist the tender submissions for Azalea play park Following approval of the scope for the Azalea play park refurbishment project the details were put on Contract Finder week commencing Thursday 4th Feb with deadline of March 1st. (Currently 246 views on CF with 2 site visits carried out) It is the intention to include members of public (those that expressed an interest) and at least 3 Councillors to analyse submissions from play companies against criteria to enable short list to be put out for a consultation to all residents via social media advertised in newsletter. Cllrs CH, HB, DM, JF and AJ volunteered to be members of working party to analyse submissions. Please note that the roundabout has now been taken out of action following a report of further deterioration of the bearings. This was highlighted in the Rospa report as LOW RISK and one to MONITOR. The parents of the child who had an accident whilst playing on it complained about it still being in use. Clerk has provided evidence of the reporting regime in place in response to the complaint. The roundabout will therefore need to be replaced as part of the overall scheme with contract finder details to be updated accordingly.

21/Z035	Athletics Track To approve resident communication to be issued in advance of works The draft letter to residents who are likely to be impacted by the athletics track works was considered. It was resolved to approve the letter for delivery subject to inclusion of Kestrel operating hours and provision of contact details for a Kestrel team member and details to be included on the website. Proposed RM, Seconded DM, all in favour.
21/Z036	CCTV at Reading Road South To approve ongoing support for CCTV charges from Hart DC Clerk presented information to review cross charges from Hart DC for CCTV at Reading Road South/ Beacon Hill Road and Aldershot Road. It was agreed that more information about the community safety aspect of the camera use will be sought to enable a decision to be made about ongoing payment for the service. To be brought to the March meeting.
21/Z037	Crookham Park site update To receive an update on progress of site issues and agree any actions A meeting has been requested with Taylor Wimpey re the final outstanding issues. The issues relate to road adoptions and the final play area (plus Trim trails) LEAP and Trim Trails - the equipment for the trim trails is on order and due to land in about 4/6 weeks. CCPC considered that the location suggested as per the schematic provided was suitable subject to avoidance of any drainage channels across the area and ensuring the drainage is suitable for installation here. Also the clerk to re-raise the discussion of a path to access the SANG across this section of land. With regards to the remedials TW are still waiting for the section agreements to be sorted, once this is done they can get J Devine back. TW have acknowledged Clerks email re Kestrel doing remedial works so will notify CCPC once J Devine are looking to start
